At minimum, SeaDream Wine Voyages feature:

- 2 complimentary wine tastings per voyage
- 1 Winemakers Dinner / food and wine pairing dinner per voyage
- 2 Wine related Yachting Land Adventures\* per voyage in addition to our regular selection

### Wineries & Vineyards

Immerse yourself in wonderful flavors while visiting famous wineries as well as several less familiar, but equally notable vineyards. With a SeaDream wine tasting cruise, you can expand or even begin your knowledge through the intricate world of wine. Days are filled with wine tastings and guided tours to the origins of some of the finest wine in the world. Learn and experience the history of the vintage wineries and taste a selected range of their portfolio. Visiting these historic destinations makes it a great experience for non-wine drinkers as well! Specially designed Yachting Land Adventures to complement the entire wine cruise experience are offered exclusively on SeaDream's Wine Voyages. These unique land adventures are exciting, additional excursions to fill your days with unforgettable experiences such as hunting for truffles and strolling around local markets on SeaDream's Signature Chef Walk.

### Winemaker's Dinner

Exclusive wine tastings are followed by the Winemaker's Dinner, where our Executive Chef's degustation menu is complemented with top cuvees from our visiting Winemaker. A different selection of wines will be offered for the Winemaker's Dinner. An evening unique to our Wine Voyages is all about an unforgettable culinary experience that is incomparable to other wine tasting cruises. Taste only the best and most unforgettable reds, whites and champagne.
