Southern Portugal Small Group Tour

April 18-29, 2027

We invite you to join us on this wonderful journey through some of the most beautiful and lesser visited destinations in Portugal. On this itinerary through the southern part of the country, you will visit “less-trod” areas of Portugal, where you can still experience some of the ‘real Portugal,’ where little has changed in decades, and where the serenity and feel of the past is preserved. The small marble towns, medieval castles, cork forests, splendid wineries, fishing villages, rocky coasts and rolling hills will enchant you.

Throughout our journey, we will travel in luxury vehicles while staying in charming luxury boutique hotels.

Space is extremely limited for this small group tour. Please contact me for a detailed itinerary and pricing.
